Dear Families:

It is time to register for the 2020-2021 school year. We are offering a blended program this year. Our publisher for Grades 1-6, Sadlier, has a virtual component and it all became available—just in time!!! We just finished using it for our Summer Program and it went well. Grades 7 will use Loyola and Grade 8 Decision Point. We will also give you a printed book to help you with HW and to bring for the in-person sessions. Below is an example how we hope to proceed for each grade:

Example of Lessons for the Month of October:

<b>October</b>	Unit 1
Zoom 1	Lesson 1&2 (Homework)
Zoom 2	Lesson 3 &4 (Homework)
Live Stream / You tube	
In House Service	Lesson 5 (no Homework)

There will be 2 zoom classes a month for each grade. Each month we will also offer a livestream, you tube, or movie to help reinforce the lesson. We will play Kahoot! with one grade competing against another. We will make it as interesting and interactive as possible. Each parent that offers to run and coordinate a zoom session (2 lessons—a 30 minute class) will get a \$50 discount for tuition. (One parent discount per zoom.)

**We will have a parent session to give out the printed book and explain how the portal works with a brief example on how the zooms will run.**
