

You will need:

An Easter Basket and some plastic eggs of any color or size, cut out a “Capital letter E” made out of construction paper and a marker.

Say to the Children.....So as your hunting Easter eggs today and even later, I hope you will remember Five words. They don't begin with "E" like Easter, but "F"! [Tear or cut the bottom of the E to make an F. Write each word on the F as you say them.]

1. FOUND - Without Jesus, we are lost and need to be found.
2. FORGIVEN - With Jesus we are forgiven. All our sin has been paid for and taken away.
3. FILLED - Without Jesus we are empty and need to be filled.
4. FAMILY - With Jesus as our Lord & Savior, He puts us in His family so that one day we will go home to live with Him...
5. FOREVER in Heaven!

Let's Pray Together: Take time to pray and thank God for sending Jesus so we can be found, filled, forgiven and made a part of His family FOREVER!

Have a Beautiful and Blessed Easter!
